Additional information

Tables and Figures

Ensure that each illustration has a caption. A caption should comprise a brief title (not on the figure itself). The caption in both languages English and Polish) for a figure appears below the graphic; for a table - above. Number tables and figures consecutively in accordance with their appearance in the text and specify the source below the table or figure body. Please submit tables as editable text and not as images.

Bibliography

Number reference system: In-Text Citation

Indicate in your text in square brackets a number that corresponds to a source in your bibliography.

Creating a Bibliography in Chicago Style

Place the bibliography at the end of the paper. The entries should be alphabetized. Web addresses should be placed at the end of the bibliography. Use the full Web address that leads directly to the document you referenced, include an access date in parentheses.
